Placement

We are committed to meeting the competitive world around us through a valued systematic functioning and turning out professionals of caliber and competence who would bring about a qualitative change to the nation through their contribution.. We believe in developing professionals brimming with knowledge and competence and equipped with the expertise to take on the challenges of changing future and the global world.

We are trying to bridge the Industry and academia gap by providing the students with hands-on experience through orientations, internships, guest lectures, industrial visits, seminars, and workshops. In the last session, The TCS has provided an on-campus 20 days training to groom the students from scratch and transform them into professionals

We feel proud to share that a number of students have placed in various companies like TCS, Wipro, Infosys, Mindtree, MyAntomy, SAP Lab India pvt.Ltd, Acezd consultancy services pvt.Ltd., Tech Mahindra etc.
